methven HELISKI

ARROWSMITH RANGE/RAGGED RANGE · NEW ZEALAND

ARROWSMITH & RAGGED RANGES

WORLD CLASS MOUNTAINS IN CANTERBURY'S RURAL HEART

Discover the high alpine backcountry terrain of the Southern Alps within an hour of Christchurch!

Take in views of Mount Cook in the distance while you ski past ancient glaciers and through fresh, deep powder bowls... Nowhere else in New Zealand do you have so much terrain to choose from!

Every winter professional skiers and riders tap into the local expertise of our guides to film their adventures in these spectacular mountains. But you don't have to be a pro. With over 250 named runs in three mountain ranges Methven Heli can offer everyone the perfect heliskiing experience.

Why choose us?

- Operating since 1986 - our professional guides have over 50 years of combined experience
- Our location on the Main Divide provides the best and most predictable snow conditions you will find in NZ - and some of the longest runs!
- Small helicopter loads mean personal service, and safety on the snow
- Our unique helipad location - right in the middle of a working high country sheep station
- Packages to suit every ability level and budget

Credentials

Our team of professional guides are all qualified through the NZMGA and IFMGA*. Their passion is not only their job it is their life. Our guides work year-round in the mountains of NZ and around the globe.

Personal Service

Methven Heliski is world-renowned for its combination of incredible location, and its dedicated, enthusiastic guiding team. We go the extra mile to seek out the best snow every day. You can stay with your group of friends, or join other skiers/boarders of similar ability - it's up to you!

Private charter heliskiing is available for discerning groups looking to maximise their vertical. Check the website for details.

*New Zealand Mountain Guides Association and International Federation of Mountain Guide Associations.

2009 Pricing

- 5 Run day: NZ\$875 per person
- Extra runs NZ\$120/1000 vertical metres
- Three and one run options are available through our partners Mt Hutt Heli. Check our website for more information.

Flying: 01 July - 30 September
